

Falling Forward

I press on toward the goal for the prize of the upward call of God in Christ Jesus
-Philippians 3:14

As the fall season approaches, God keeps moving us forward.

We continue to be blessed with the opportunity God has given us to serve Him in Guatemala. We continually thank you all for your love, prayers, support, and encouragement. Please take a moment to see what God has allowed us to experience this past month. Join us in praise for all He does and in prayer for all He will do.

Prayer Requests

Pray for Recovery

In one of the families we serve, the father has begun drinking heavily. We have suggested he begin attending Dylan's Celebrate Recovery lessons and are praying for God to cleanse him of this addiction.

Praise for Accounts

After many hours in the bank last month, we finally were able to get bank accounts opened for Servants of Guatemala! Now we need to continue fundraising for our families so we can support them fully.

Pray for Healing

One young boy we serve has a tooth protruding above his gum line. The dentist said for now to see how it progresses but he might possibly need a procedure done soon. Please pray for his healing or provision for the needed procedure.

The Wall

In October we were blessed with a SARF team of 4 that came down to help one of our families build a retention wall to prevent her land from being washed away off the side of the hill she lives on.

These guys did a tremendous amount of work in a short amount of time with many obstacles. The rain prevented us from starting on time but eventually we began working in the rain to complete the project as much as possible.

In January we have another team lined up to come down and finish constructing the wall around the house to protect it from intruders (including stray dogs) and make sure the owner keeps what remaining land she has!

We would love to have some of you come down and serve with us! Ask us how you can be a part of the January team to help Serve At Risk Families in a very tangible way! **Learn more here!**

What's Happening?

Maria's Glasses

We were blessed to be able to take Maria to get new glasses! She had been suffering headaches because she has needed glasses, but donations she had received from medical clinics didn't quite match her prescription because it is too strong. Thanks to SARF sponsors, we took her to get a new prescription. When we left the clinic, she almost tripped off the curb because she was so excited she could see it clearly she forgot she had to step down! We are so blessed to share these moments with those we serve.

Tons of Broccoli!

New Life Children's Home received a huge donation of frozen broccoli from a local supplier and donated some of it through us to our families! This is a great blessing as we are currently working on a plan to minister to the nutritional needs of some of our families (by providing vegetables, proteins, and fruits) as we have found they do not always have a continuous source of good nutrition. We are amazed at how God continues to provide the needs of the families.

New Neighbors

One of the families we serve has been living in a very volatile and dangerous part of Guatemala City. On 3 November we, along with City of Refuge Church, helped them move to Linda Vista where it is safer and closer to our ministry so we can better serve them and make sure they are getting the help they need to obtain a sustainable lifestyle. Here is a picture of them in their new house with their new church family that helped them.

Jacaltenango

As you receive this latest update, we are in the area of Jacaltenango (pronounced Hacaltenango) translating for a spiritual healing team we learned about last year. This is the same area where we went on our outreach trip last August. We have wanted to minister with this team since we heard about it but last year it was not possible for us to go. This year God has provided us to go as translators, which has given us the ability to go without having to pay for the trip! Aside from being able to help the team, we have been looking forward to this trip so that we too could grow spiritually and learn more about the outpouring of God's Kingdom. Please pray for the healing of those we minister to as well as our own personal spiritual growth.

With Love,
Dylan & Missy Brobst
